Brother Kirk,

As you know, the Delta Upsilon Technology Chapter is appealing our suspension by the International Fraternity. In doing so we are seeking to obtain all reports and documents relating to the investigations that resulted in our suspension.

On February 26<sup>th</sup>, 2014, you were given a report by the Massachusetts Institute of Technology's Office of Fraternities, Sororities, and Independent Living Groups. We have been denied access on multiple occasions to this document, which played a key role in your investigation. This letter serves as a formal and final request for a copy of this document.

Please promptly email a scanned copy of this document to me at [dhallman@mit.edu](mailto:dhallman@mit.edu). If you have any questions or are unable to comply with our request I can be reached at 858-401-9555.

Fraternally,

Dylan Hallman  
Interim President, Delta Upsilon Technology Chapter
